Community Utility Assistance: First Presbyterian Church financially assists people from Cheyenne who are behind in their utility bills and are challenged to pay their bills. Many face having their utilities disconnected. We limit the assistance to each person to \$250 once each year. The funds for this assistance come from both an Irmgard Meyer Grant of \$18,000 and donations from you, the congregation. The funds approved from the Irmgard Meyer Grant will not cover the amount of requests the church will receive this year. As of April 15, 90% of the grant has already been expended. If you would like to assist with this much needed mission work, you may donate to the Utilities Assistance Fund. Every donation helps one more family. Thank you.

Free Book/DVD Table. Our library has received donations that duplicate material we already have. In addition, we have removed lesser-used books to make room for newer donations and purchases. A table of these excess items will be in the Fellowship Hall this week through April. Please take as many as you wish. We hope they will find a new home. Questions? Contact Kay Barnes, 630-0875.
